

# ACCESSORIES BROCHURE

THE TIPI COMPANY

# ABOUT US

Based in the heart of Lancashire, The Tipi Company manufacture British-made large event tipis and accessories for the use of outdoor events. Durable, reliable and waterproof, the tipis provide an outdoor structure that has been Made in Britain, for a whole range of services including wedding venues, activity centres, outdoor classrooms, glamping accommodation and outdoor restaurants.

The tipis are available in four different sizes and can be either erected onto grassed areas or fields, or built on hard-standing areas such as car parks or patios, using our handy All-Terrain Anchorage Kit (see page 23).

The company's aim is to offer you true flexibility with your tipi structure and as a result, we have designed a range of Accessories to enhance the basic structure, making them perfect for both Summer and Winter events. Take a look at our Weatherproofing Kits on page 17 and Porches on pages 14-16 to see our best-selling all-weather solutions.

All of our tipis are enhanced and complimented by our hand-crafted British-made tables, benches and bars to create a party to remember.

With an extra beam that widens the usable internal space available, our linking equipment enables you to interlink your tipis together to create configurations for larger numbers of guests. The Big Hat, Midi and Baby Tipis can all be attached to one another, so the possibilities are endless. Take a look at our Link Kits on pages 10 – 12 for further information.

Our Panoramic Panels are perfect for those wishing to increase the square footage of their tipis inside, without adding on another tipi to the configuration. The panels also add extra height towards the corners of the tipi, making it a perfect working space for a bar or stage area. Take a look at our Panoramic Panels on page 22.

Please note that all of our Accessories come complete with their own assembly instructions.

Do get in touch with the team for further information  
[info@thetipicompany.com](mailto:info@thetipicompany.com).

## ADDITIONAL ACCESSORIES

We have designed a range of custom-built Accessories that perfectly blend into our range of tipis to make them a versatile space.

## ALL-WEATHER SOLUTIONS

Not only do our Accessories make our tipis easier to use from an operational standpoint, but they also allow you to use them during wind, rain and snow too.

## MADE IN BRITAIN

All of our products are designed and manufactured in Britain. We are proud to support the Buy British campaign and we have full control over our production process in our factories in Lancashire, UK.

## OUR TIPI RANGE

### BIG HAT TIPI

BIG HAT TIPI  
PRICE £9900

The largest tipi in our range, the Big Hat's brim can be raised and lowered, like a hat, to interlink it to another tipi and create a larger space.

TIPI MODEL	DIAMETER	SEATED	STANDING
Big Hat	10.3m	54 - 72	80

# MIDI TIPI

MIDI TIPI  
PRICE £7900

A Midi tipi is the perfect space for a chillout room or a bar area. It can be interlinked to all other sizes of tipis, linked to a building, or they can stand alone.

TIPI MODEL	DIAMETER	SEATED	STANDING
Midi Tipi	8.4m	30 – 40	50

# BABY TIPI

BABY TIPI  
PRICE £5900

The smallest tipi in our range, the Baby Tipi, can be used standalone for glamping, outdoor classrooms or a children's party, or they can be linked to a Big Hat using a tunnel (see page 12), or a Midi using our 2-Tipi Link Kit (see page 10).

\*Please note – Entrance Porch not included (see page 18)

TIPI MODEL	DIAMETER	SEATED	STANDING
Baby Tipi	6.5m	12 – 18	15

# LITTLE HAT

LITTLE HAT  
PRICE £2495

An easy and quick to assemble outdoor shelter, which fits in perfectly with our range of tipis. The Little Hat is perfect for an outdoor drinks reception area, meeting point or shelter.

TIPI MODEL	DIAMETER	SEATED	STANDING
Little Hat	7m	24 – 32	35

## LINK KITS

## 2 - TIPI LINK KIT

Unique to The Tipi Company, our Link Kits have the unique extra feature of eaves beams which are located at either side of the link section and aid to widen it enough to allow for extra seating and head room, without increasing the footprint of the tipis. The kit allows you to interlink a Big Hat – Big Hat or a Big Hat – Midi Tipi, to create a space for a larger number of guests. If the formation you are wishing to create is in a line, then the 2-Tipi Link Kits are all that you need.

PRICE £1920

## 3 - TIPI LINK KIT

Ideal for up to 150 guests, the triangle formation of three Big Hats requires a 3-tipi link kit.

This creates a huge internal space where you can position one Big Hat at the front (to be used as an entrance tipi) or at the back (for the dancefloor)

PRICE £2400

## BABY TIPI LINK TUNNEL

We have designed a 4m Link Tunnel to attach a Baby tipi to the main Big Hat formation, making it the perfect space for children during a large event. A Baby tipi is great as a standalone, intimate event space, but its even better when linked to a Big Hat formation to act as a children's play area or chill out space.

The Tunnel is 4m in length at ground level, by 2.5m wide.

PRICE £995

## ENTRANCES

## ENTRANCE PORCH WITH ZIPPED CANVAS DOOR

Tipis are perfect for the summer months – but what happens when it rains? Our Entrance Porches are the perfect accessory to add onto your Big Hat to stop the rain from dripping directly into the tipi – and an essential addition when linking a catering tent to the formation. They also make for an aesthetically pleasing entry into the space and the canvas door can be zipped shut to keep the warmth inside. The Entrance Porch can be fitted into either a Big Hat or a Midi Tipi via a zip on the main tipi canvas.

PRICE £1395  
*Includes zipped canvas door*

Your Entrance Porch can also have a pair of Wooden Doors fitted into the framework. Please see page 15 for further information.

## WOODEN ENTRANCE DOORS

Wooden Entrance Doors

Hessian Curtains

### WOODEN ENTRANCE DOORS

The perfect finish for any winter event in a tipi, our Porch and Entrance Tunnels can be fitted with a pair of Wooden Doors that are stunning yet in keeping with the style of the tipis. They are hand crafted in Lancashire by our skilled wood workers and finished with black powder-coated ironmongery. The price includes the timber framework surrounding the doors with a canvas covering. PRICE £995

### HESSIAN CURTAINS

Our Hessian Curtains are a simple, yet rustic way to conceal the entrance to the catering tent, or to dress up the opening to the tipi. The price includes the curtains and rope tie backs. PRICE £95

## BABY ENTRANCE PORCH

If you are planning on using your Baby Tipi as a standalone space, then our Baby Entrance Porch creates a dramatic yet practical entrance. If it is raining then the porch will stop the water from dripping directly into the tipi and it can also be zipped shut to keep the warmth inside.

PRICE £795

## WEATHERPROOFING KITS

If you want to completely weatherproof your tipis for a Winter, windy or wet event, one of our Weatherproofing Kits is just what you need.

It can be placed in the centre of one, two or three Big Hat configurations and consists of a number of our Accessories.

All Weatherproofing Kits come with Clearview Blanking Panels as standard, but if you would prefer them in the plain tipi canvas, please get in touch.

The only difference between each size of configuration is the size of Blanking panel required to fit the kit into the tipis.

WEATHERPROOFING KIT	PRICE
Includes: Entrance Tunnel Starter Bay; Additional Tunnel Bay; One set of Tunnel Side Sheets; Zip Canvas door; Blanking Panels	
Kit 1 - To fit into centre of 1 Big Hat Includes 4.7m blanking panels	£3405
Kit 2 - To fit into centre of 2 Big Hats Includes 5.5m blanking panels	£3585
Kit 3 - To fit into centre of 3 Big Hats Includes 6 window & blanking panels	£7885

PRODUCT	PRICE
Additional Tunnel Bay	£800
Additional Tunnel Bay Canvas Side Sheets (pair of)	£395

# KIT 1 ONE BIG HAT

# KIT 2 TWO BIG HATS

# KIT 3 THREE BIG HATS

ADDITIONAL EXTRAS

## PANORAMIC WINDOW

Our Panoramic Windows are ideal for a whole host of uses but one of the key benefits is that they give extra headroom to a stage, or a bar when positioned in this section. Additionally, if you have erected your tipis on a site with fantastic views, the clearview window will allow your guests the opportunity to enjoy the surrounding countryside while being protected from the weather.

The Panoramic Window comes with a large clearview PVC window in the centre as standard, so that your guests can enjoy the surrounding views. If you would prefer to have them with plain tipi canvas (no window), please let us know. Additionally, they have a zip along the vertical seams so that they can be unzipped, rolled up and secured at the top should the sun decide to shine.

The Panoramic Window Kit includes the clearview window, in addition to a pair of 4m Clearview Blanking Panels and accompanying framework, which are required to weatherproof the section.

PANORAMIC WINDOW KIT PRICE £1790 (inclusive of Blanking Panels to fit)

## ALL-TERRAIN ANCHORAGE KIT

Anchorage Kit attached to Ballast Barrel Base Plate

Our All-Terrain Anchorage Kit consists of nine pole sockets which fit to the end of the main tipi poles. These then fix onto the steel base plates (one per leg) that you use to secure the tipi to the ground.

On the base plates are two projecting bolts which aid to help you locate a timber ring beam onto the plate at either side, in addition to an eye ring which is used for the main tension point of the canvas.

We recommend you build a timber ring beam around the base of the tipi, locating onto these steel base plates at each pole point – you can purchase the timber for the timber ring beam from any local timber merchant (so long as it is 6 x 3 inch tannalised timber). This timber ring beam will allow fixing points for the D-rings along the mudwall of the tipi, to obtain the correct tensioning.

There is the provision on the steel base plate to stake out; to use a chem-fix anchor resin fixing; or to attach to a Ballast Base Plate (for a barrel or water tank to sit on).

PRICE £895 - for set of nine steel base plates

PRICE £100 - for pack of 60 D-ring brackets  
(to secure the canvas to the timber ring beam)

PRICE £800 - for set of nine Ballast Base Plates

## SEATING & BARS

1.

1. Designed and made in Lancashire, by local timber craftsmen, our wooden tables and benches are the perfect match for our tipis. Collapsible with powder-coated iron stays, our seating does not need any dressing up to impress guests.

WOODEN TABLE (1.83M) PRICE £245

WOODEN BENCH (1.83M) PRICE £150

2.

2. Also designed and made in Lancashire, our wooden bars are stunning yet practical with removable shelves and bar top, and collapsible sides.

STANDARD BAR (1.83M) PRICE £1330

EXTRA LONG BAR (2.44M) PRICE £1560

## CATERING

4.5 x 6m Catering Tent (Pop Up Catering Tent Package)

We offer two options of catering tent which are both covered in the same coloured canvas as the tipis to ensure they blend into the formation seamlessly.

The first option is our collapsible, Pop Up Catering tent, which can be quickly erected and dismantled.

Pop Up Catering Tent with collapsible aluminium 50mm frame and lightweight canvas cover 4.5m x 3.0m PRICE £1900

Pop Up Catering Tent Package (includes 2 x Pop Up Catering Tent; 2 removable gutters) PRICE £3700

6 x 6m Catering Tent

The second option is an extremely sturdy box section aluminium catering marquee, covered in the same durable fabric as the tipis, ideal for long term installs during the winter period.

6.0m x 6.0m Catering Tent PRICE £4890

We recommend using an Entrance Porch on the side of the tipi so that the catering tent can be pulled up close to the formation without the need to go outside. See page 14 for further information.

## CARPET

The industry standard everyone uses is a woven matting from Dandydura. We recommend using the same and you can order this directly with them. However, if attention to detail and perfection is at the core of your business, our custom-made carpet strips might be just the thing you're looking for. Where we differ is that all of our carpets are cut to the shape of the nonagon tipi.

Our Big Hat carpets are made overlong, so that when sides are partially lifted or a Panoramic Panel is fitted then there is enough carpet to extend to the tipi perimeter and the overlap in the middle.

Each end of the carpet is bound off with edging tape and eyelets so that tension can be created. We also velcro each section of carpet together so that there is no overlaps and therefore no trip hazards and no need to knock a multitude of pegs into the ground. The velcro runners are the only item that needs pegging out, but these act as a straight line to work to.

Also available for Midi Tipis and Baby Tipis in a one-piece section.

BIG HAT - PRICES FROM £1800

MIDI TIPI - PRICES FROM £995

BABY TIPI - PRICE FOR ONE-PIECE CARPET £795

## SECTIONAL WOODEN FLOORING

Practical yet stunning, our Sectional Wooden Flooring is perfect for semi-permanent tipi sites where Woven Matting Flooring isn't practical. The flooring is quick and easy to fit, and can be left down for long periods of time.

PRICE £3000 PER BIG HAT

## PERSONALISED BRANDING PANEL

In every tipi we manufacture, there are two canvas triangles that cover the zips that can be branded with your logo.

(Please note: Without this option, your tipis will have The Tipi Company logo printed onto the canvas which can not be replaced at a later date.)

PRICE £50 PER CANVAS TRIANGLE (plus print setup costs depending on artwork)

## ONLINE TRAINING PORTAL

Our Online Training Portal will be available for all Tipi Company clients to purchase. The self-paced training portal will allow you and your team to work through all aspects of assembly, at your own pace.

The portal will include step-by-step guides, videos, images, downloadable documents such as manuals and much more. This is a vital tool when training, as it allows you to access instructions and guidance documents at any time on your laptop, iPad or smartphone.

PRICE - £1500

In addition to the Online Training Portal, we also recommend clients book onto our 1-2-1 Training Programme, which takes place at our factory in Manchester and also in our training field in Lancashire. This is a perfect opportunity for clients who prefer to work with a member of our highly skilled team face-to-face, as it is an opportunity to have all of your questions answered.

Onsite training PRICE - £500\*

\*Priced per day. Up to 2 Big Hats linked training will take 1 day; Up to 3 Big Hats linked training will take 3 days. Plus travel and expenses.

## REPAIRS SERVICE

Contents of TTC Repair Kit (presented within a neat fabric roll with spare pockets): Sailmakers palm (to protect your hand when pushing needles through thick canvas); D-rings with webbing; 2 spare pole grabbers; spool of anti-wick thread, double sided repair tape, three needles; Seam grip (seam impregnating agent); roll of tipi canvas; roll of mudwall; Tenax quick release rivets.

Because our tipis and accessories are Made In Britain, right here in Lancashire, we have full control over the production process to ensure a high quality throughout our range.

The other benefit of being based in Britain is that we offer a full Repairs Service inhouse, where the same team who have made your tipis, will also deal with any repairs you may need.

Pay attention to any snagging that may occur during builds & breaks and repair them immediately with your TTC Repair Kit (pictured below), which is complimentary for every new customer.

If any larger rips occur, please do get in touch with our Repairs team who will be able to repair this for you. If we can fix it, we will, and if we can't, you can purchase replacement components from us.
